REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT

Sir:

The instant patent issued on a date other than the projected date of issue and this change necessitates a revision of the patent term adjustment indicated in the notice of allowance.

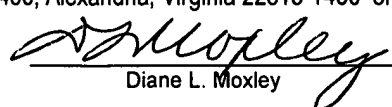

Following is the required statement of facts:

- The instant application was filed on August 10, 2001;
- The Notice to File Missing Parts of Nonprovisional Application was mailed on September 20, 2001.
- Applicant submitted the Original Executed Declaration and Power of Attorney on October 30, 2001, however the PTO received it on January 29, 2002.

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as First-Class Mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450 on:

April 30, 2004
Date

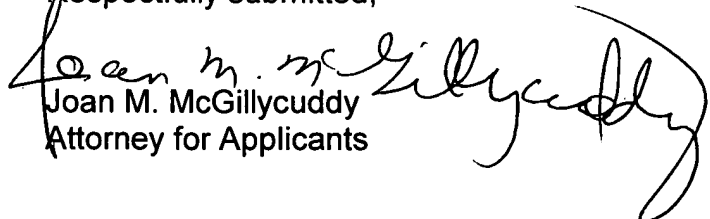

Diane L. Moxley

- Due to the fact the Executed Declaration was filed during the period of the Anthrax Scare, 77 days elapsed between the time the Declaration was filed and when the PTO received it (please see 1254 Official Gazette, page 92 where it states that the Office will process a reply [whose delivery to the Office has been delayed] as timely if the date on the certificate of mailing, or the 'date-in' on the Express Mail mailing label, is within the period for reply set forth in the prior Office action or notice).
- A first Office Action was mailed on May 1, 2003, a response thereto was filed and received in the PTO on August 1, 2003.
- A second Office Action from the PTO was mailed on September 15, 2003, a response thereto was filed and received in the PTO on December 16, 2003.
- The relevant dates as specified in § 1.703(a)(6) are October 10, 2002, which is the day of the expiration of the 14 months from the filing date, October 30, 2001, the date the Executed Declaration was mailed to the PTO with a certificate of mailing, May 1, 2003, which is the date of the first Office Action was mailed; and December 16, 2003, 91 days from the mailing date of the Office Action;
- The adjustment as specified in § 1.703(f) to which the patent is entitled is 201 days (202 days delay by the PTO and 1 day delay by Applicant);
- The patent is not subject to a terminal disclaimer;
- There were no circumstances during the prosecution of the application resulting in the patent that constitute a failure to engage in reasonable efforts to conclude processing or examination of the application, or constituting a failure to engage in reasonable efforts to conclude processing or examination of such application as set forth in § 1.704.

Authorization for payment of the fee set forth in § 1.18(e) is provided herewith.

Patentee respectfully requests that the patent term be extended in accordance with the above.

Respectfully submitted,

Joan M. McGillicuddy
